

THE MIRASOL
FOUNDATION

2021-2022
ANNUAL REPORT

thank you, mirasol!

LARGEST GRANT POOL IN FOUNDATION HISTORY

FROM THE PRESIDENT

Dear Friends and Neighbors:

Our 2021-2022 season was certainly one for the history books. Through the generosity of 294 families and 8 businesses The Mirasol Foundation was able to give \$424,000.00 in grants to 36 Palm Beach County Charities. During the early summer an additional \$27,000.00 was given out in emergency funding to two of our charities that deal with food insufficiency in our County. So, from all of us on the Foundation Board, and the Gifts and Grants Committee, thank you for your generosity. For those of you that may not be aware, there are at least 181,000 people in Palm Beach County that suffer from food insufficiency.

As you will see as you browse through this report and see the categories of causes that we give to, you will hopefully become more aware of the needs within Palm Beach County. Please take a moment to look at the names of each of these charities, or go onto our website and watch our new video, as it will hopefully speak to you about the tremendous need out there.

On March 11th, close to 300 of you came to Keep Calm and Party On. We had an absolutely wonderful night of great food, dancing, and auctions. Not only did we double our past level of attendance, we also raised a record amount of money.

This season we will continue with our seed parties. They are member-sponsored, non-soliciting, Happy Hours, where we bring in a charity to give a very brief talk, along with a person who has directly benefited from our funding. It's a great way to gather with friends for food and drinks, and gain a better understanding about how we help Palm Beach County Charities.

Please mark your calendars for upcoming events this season: On January 26, 2023, we will be holding our first Tennis Event. It will feature clinics and demonstrations by some very famous professional players, along with great food and drink, and lots of other fun things to do.

On March 11, 2023, we will be holding another Gala featuring our favorite Studio 54 Band, great auction items, and of course a wonderful menu prepared by our staff. So, get your dancing shoes ready.

Lastly, I want to remind everyone that Mirasol is a community of 1170 families. If you noticed in my introduction, just 294 of those contributed generously to help. I ask you to just imagine if more of you became interested in helping, what miracles we could perform.

Sincerely,
Daniel Lehrhoff, President

THE MIRASOL FOUNDATION BOARD 2021-2022

Seated From Left to Right:

Isabelle Royce
Marilyn Wilson
Jill Guz

Standing From Left to Right:

Ed Bonder
Ron Heller
Dan Lehrhoff
Jack Wilen
Jon Peisinger

2022-2023 BOARD OF DIRECTORS

DANIEL LEHRHOFF
President

The President is responsible for coordinating all operational functions and monitors the progress of committees that work on the individual needs of the organization. The President ensures that the mission and goals of the Foundation are carried out and that the future goals of the Foundation are attainable. He is also responsible for ascertaining that applicable laws, regulations and organizational by-laws are followed.

MARILYN WILSON
Vice President

The Vice President is responsible for presiding at board meetings in the absence of, or at the request of the President. In addition to the VP duties of regulatory compliance and by-laws maintenance, Marilyn has taken on additional responsibilities. She develops Foundation communications to the community with the assistance of the Mirasol Communications director. Last year, she updated the donor software and continues to learn new functions to support our fundraising events. She has re-vamped the Foundation website with more information, photos, software and video links. This is her first year as Vice President.

ED BONDER
Treasurer

The Treasurer is responsible for overseeing all financial operations of the Foundation. He prepares and creates many statistical reports that allow MFI to analyze, evaluate and plan for the future. He develops an annual operating budget, as well as budgets for all fundraising events. Part of his responsibility is to make sure that the Foundation's internal financial records are prepared in a manner sufficient for our independent accountants, to prepare our annual audited financial statements, as well as the preparation of our income tax returns. He maintains a relationship with the bank, insurance provider, its independent accountants and its investment brokerage firm. He is responsible for filing annual reports with Florida State agencies, overseeing our insurance needs and executing transactions relating to the sale of donated securities.

JILL GUZ
Secretary

The Secretary is responsible for maintaining communications as needed between board members and charities, as well as residents and board members. She is responsible for recording and distributing the minutes of all MFI meetings. Because of her prior experiences on the Gifts and Grants Committee, Jill is also responsible for accepting grant applications from the charities and forwarding them to the chairpersons of the Gifts and Grants Committee. She is responsible for reviewing all email received. Basically, she is the center of the hub disseminating information from the source to the appropriate individuals.

JACK WILEN

Jack is the Liaison Officer between the MFI Board and the Gifts and Grants Committee. While Jack is new to that position, he has previously served on the Gifts and Grants Committee as a member. He will co-chair our efforts to coordinate small gatherings ("seed parties") throughout the year to help educate our membership on how The Foundation works and where the donations go.

RONALD HELLER

Ron's new responsibility is to maintain relationships with other Foundations, businesses and community organizations in the Palm Beach County area. He co-chairs our efforts to coordinate small gatherings throughout the year to help educate our membership on how The Foundation works and where the donations go. He will also help in developing corporate sponsorships and other fundraising projects.

JON PEISINGER

Jon is a former MCA Board member who served as a liaison/member to the Foundation Board for several years. He continues with us as a board member with a tremendous working knowledge about our club. His insights into our operations and efforts have and continue to be invaluable.

ISABELLE ROYCE

Isabelle Royce joined the Board mid-year and was an immediate contributor. A natural philanthropist and enthusiastic party planner, she added her talents to our March fundraiser, our seed parties, and Board planning meetings. Her goal is to develop new ideas for fundraising, while furthering the Foundation mission with high standards and prudent spending.

The mission of The Mirasol Foundation, Inc. (MFI) is to raise, administer, and distribute funds to civic, cultural, educational, social, and health-related not-for-profit, section 501 (c)(3) organizations in Palm Beach County and surrounding communities.

TESTIMONIALS AND ACCOLADES

DANELLA ZUBER, CLASS OF 2022

Danella Zuber graduated this past year from William T. Dwyer High School and is currently enrolled at the University of Central Florida, where she plans to study Mechanical Engineering. Danella wanted to share her appreciation to The Mirasol Foundation for sponsoring her scholarship and how it has impacted her life.

"On an emotional level, knowing that I have the support from others pushes me even harder to succeed, and makes me feel more secure," Danella said. "And of course, on a financial level, not having to worry as much about how I'm going to pay for my schooling is something that I'm extremely grateful for, and I'm able to budget my other finances more appropriately because of that financial security. Overall, I genuinely believe this scholarship and the Take Stock in Children program has dramatically changed the direction of my life for the better, and I'm eternally thankful for the assistance and opportunities I have been granted throughout."

Basics4Babies – Emergency Pantry for Infants TESTIMONIALS

Healthy Mothers, Healthy Babies

Coalition of Palm Beach County

"This service has been invaluable to me and my family. My husband can't work due to kidney failure and our income is low. I thank God for people like this that help people like me in times of hardship. Thank you so much."

- **Ruth U.**

"Every time I come to this pantry, they are able to help me. Without them and their assistance, my daughter wouldn't have diapers. I love them"

- **Justine R.**

"Knowing that I have this pantry service that I can use when I am in need brings me comfort. As a single mom it can be very hard at times. Healthy Mothers, Healthy Babies has been a true blessing. Thank you for all you do for the community."

- **Maria C.**

"I would like to thank everyone involved with this program. The help that you all provide for our community is amazing."

- **Gledy F.**

MICHAEL'S STORY

Michael* is an energetic, athletic, smart 10-year-old boy. He loves basketball, eating sweets, and playing video games with his friends. When asked what he'd call the book written about his life, he said without hesitation... "Mighty Michael!"

What you wouldn't know is that in 2008 when Michael was a toddler, he was removed from his biological mother due to allegations of neglect and sexual abuse. In his short life, Michael has been bounced around to 13 foster homes. After behavioral issues at his last foster home caused him to be stepped up into a locked facility, Michael thought his foster family had abandoned him, and that they were just another "family" he could check off of his list. He was then referred to live at HomeSafe's Sylvester Family campus in West Palm to receive our intensive therapeutic support services.

When Michael arrived at HomeSafe, he was angry and ready to fight. He had a hard time expressing his trauma because it brought back too many horrible memories. Michael said he always walked with his head down and just prayed things would get better. He admits he was mad, but says he never allowed himself to be scared. Michael immediately made three friends at HomeSafe and connected with the staff. He said his program supervisor, Mr. Derek, and his therapists, Ms. Stephanie and Ms. Brittney, were always there for him. Every day after school, Michael and Ms. Stephanie would jog around the campus and talk through his feelings. Ms. Brittney bonded with Michael over basketball, creating games to incorporate into his therapy.

After a year at HomeSafe, Michael has completed his treatment plan and has learned to manage his anger. He's grown into a more empathetic and self-aware person. Michael is grateful for the relationships he's formed at HomeSafe, and most importantly he is excited to return to his foster family who has welcomed him back into their home.

There are hundreds of stories like Michael's. Stories of children who have been able to heal from their trauma and find confidence in their future. HomeSafe is grateful for the Mirasol Foundation's help transforming lives and giving these children a brighter path forward.

**Name changed to protect the child.*

KEEP CALM AND PARTY ON

March 11, 2022

The Mirasol Foundation is so grateful to the Mirasol community for supporting our major fundraiser of the year. We had nearly 300 people dancing, eating, drinking, and bidding – and were able to raise over \$100,000 in one night. The live and silent auctions, the upbeat band, and delicious food made this a night to remember. Thank you to the Mirasol community who made this a colossal success for us.

We are planning another great night on March 11, 2023. Please plan to join us.

GRANTS CELEBRATION 2022

On April 27, 2022, the Mirasol Foundation presented 36 charities with \$424,000 in grants which was our largest amount of money presented to the largest number of organizations in our five-year history. What a historic and exciting celebration this was for the Mirasol community!! Plus, it occurred on our Foundation President's birthday! Happy Birthday, Dan, and thank you for all your efforts that made this our best year yet.

COMMUNITY SERVICES

The Mirasol community, with the leadership of the Mirasol Foundation, takes an active role in providing assistance to our Palm Beach County neighbors. Since the Foundation's beginning, we have conducted very successful food drives, diaper and formula drives, and toy drives, as well as sponsored birthday parties, provided prom outfits, and other activities. This past year, we were able to re-start our community services after a multi-year COVID hiatus – and Mirasol responded enthusiastically. Last fall, we filled a bus with diapers and, in the spring, collected over a ton of food. Take a look at these smiling Mirasol faces.

This season, we look forward to continuing these efforts and hope you will mark your calendars and participate.

November 18, 2022 – collecting non-perishable food, baby diapers and formula, musical instruments

December 1-15, 2022 – collecting toys and gift cards, either brought to the Clubhouse or purchased on Amazon and sent directly to the Police and Fire Department of Palm Beach Gardens for distribution

Early April 2023 (TBA) – collecting non-perishable food items

We want to recognize our fabulous and tireless volunteers who assisted with our community activities:

GIFTS AND GRANTS COMMITTEE

The Gifts and Grants Committee has the very important role of vetting and at times, visiting grant applicants. Grant applicants must be 501(c)(3) organizations and must meet criteria that have been established by the Board of Directors. Rosemarie Laphen eloquently described their roles as "evaluating applicants' financial stability, leadership, growth, mission, impact of programs, partnerships and evaluation of their other resources."

The Committee follows the same procedure for each and every qualified applicant organization. This great amount of work would not be accomplished without members of the committee being led by very knowledgeable resident committee members.
